

## Invitation

Dear professors,  
Dear students

It is an honor for Romania to host the 4<sup>th</sup> European Physics Olympiad – an event that celebrates European tradition of excellence in studying, teaching and researching physics.

EuPhO`20 will be held in Satu Mare, Romania from June 2<sup>nd</sup> to June 6<sup>th</sup> and will be hosted by the School Inspectorate of Satu Mare County and Ministry of Education of Romania

Faculty of Physics University of Bucharest, Research Institutes in Physics from the Magurele Platform and Local Authorities of City and County Satu Mare participate in the organization of event.

As already announced during the Closing Ceremony of the previous edition of EuPhO, in Riga, the Romanian Organizing Committee is pleased to welcome all countries participated in the last EuPhO to take part in EuPhO2020.

As the success of this event depends on the participation and involvement of each participating country, further information concerning the organizational issues will be available on the official site of the competition [eupho2020.ro](http://eupho2020.ro). in the next circulars of EuPhO2020.

With the hope that you will join the 4<sup>th</sup> European Physics Olympiad please receive all my consideration and best wishes.

Sincerely,  
Monica Cristina ANISIE  
Minister
